İZMİR, TURKEY

To Whom It May Concern

We, Dalan Kimya End. A.Ş. kindly declare that all company receipts has been changed and products with Dalan, Nancy, brands do not contain perfume ingredient "Lililal (INCI: Butylphenyl Methylpropional; EC-Name: 2 – (4-tert-butylbenzyl) propionaldehyde) (CAS-No. 80-54-6)". The soaps meet requirements of EU Regulation 2021 / 1902, and Annex II and Art. 14 of EU Regulation 1229/2013. However, for some time we used the old packaging with indication of this ingredient. In 2021, the company Latmarkets in Latvia was sent the following batches of goods with a new recipe which meet requirements of EU Regulation 2021 / 1902, and Annex II and Art. 14 of EU Regulation 1229/2013, but in old-style packages:
